

**Weekly Report**  
**08/10/2018 - 17/10/2018**

Finally, I finish the survey paper. For the whole week, I spent time on change paper format from ChinaVIS to Journal of Visualization. Also, right now I submitted the paper to Journal of Visualization. Next step I will wait for the result of the submission, in the meanwhile, I will research about text visualization in the software domain, I will start to read the survey papers which are talking about this topic.
